TEAM, Inc. Proud to Announce New Website Donated by Antelope Web

MILFORD CT- Antelope Web is proud to announce that TEAM, Inc.'s new website is now live and online. The new website, www.teaminc.org, was donated by Antelope Web (www.antelopeweb.com), a web design company located in Milford, CT. TEAM, Inc. was picked for this generous donation of services due to its participation in Antelope Web's Extreme Charity Makeover Contest in which over 30 local charities competed for a complimentary marketing and website makeover. In addition to a new website TEAM, Inc. will also receive marketing assistance and website hosting and maintenance services.

The new website will allow the TEAM, Inc. staff to communicate more effectively with its community, and will enable new and easier ways for people to support the TEAM, Inc. mission. In addition to a much needed facelift, a Content Management System, Events Calendar, and Newsletter Engine were put in place that allows TEAM, Inc. to market more effectively and ultimately leads to more services provided to the communities including and surrounding Milford, CT. TEAM, Inc provides Home Heating Assistance, Preschool Services, Meals on Wheels, a Diaper Bank, and many other much needed services for communities in Milford and the surrounding areas.

The new website's launch was announced recently at TEAM, Inc.'s 49th annual meeting which was held at Grassy Hill Lodge in Derby, CT on October 10, 2014. On hand for this annual meeting were the mayors from both Shelton and Derby, and Senator Chris Murphy.

To find out how you can help TEAM, Inc. celebrate 50 years of service to the community or to find out how to take advantage of TEAM, Inc's range of services contact Diane Stroman at 203-736-5420 or visit the new TEAM, Inc. website at www.teaminc.org.

About TEAM, Inc.

TEAM is a private, nonprofit corporation providing supportive services and financial assistance to over 5,400 families and over 12,200 individuals residing in the towns of Ansonia, Derby, Seymour, Shelton, Oxford, Beacon Falls, Milford, Orange, Bethany and Woodbridge. Services include: early education, elderly services, home heating assistance, housing assistance, economic and asset building, and community and neighborhood services. TEAM is the contact place and focal point in the Valley Region for those seeking social aid and connections to public and private assistance.

TEAM is one of ten Community Action Agencies in Connecticut and one of about 1,100 nationwide. TEAM is governed by a volunteer tri-partite Board of Directors including elected officials or their representatives, representatives of the business and community organizations, and clients or representatives of client groups. To learn more about TEAM, Inc., visit www.teaminc.org.
